Students learn academic and social skills to be successful citizens.

Henry School's Vision:

We are respectful and independent thinkers working to create a positive community, where we are all successful.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

The main fact about textbooks that the Williams legislation calls for described whether schools have books in core classes for all students. The law also asks districts to reveal whether those books are what the California content standards calls for. This information is far more meaningful when along with the more detailed description of textbooks contained in our School Accountability Report Card (SARC). Here you'll find the names of the textbooks used in our core classes and their dates of publication.

Textbooks and Instructional Materials Year and month in which data were collected: August 2018

School Facility Conditions and Planned Improvements (Most Recent Year)

Henry Elementary School opened in August of 2006. Our site has classrooms, a multipurpose room, a library and an administration building. We have 35 classrooms serving over 1,000 students. Included are spaces for two computer labs and a library. In addition, we have a Parent Resource Center and several smaller rooms used to work with students in smaller groupings. Our outdoor facility is excellent for school activities and is used as well by community groups and the STEP-Up After School Program. Use of Facilities forms allows for other agencies to provide services on site after school hours.

Past construction projects were completed to increase the level of security and safety for the campus. Front gates have been renovated to allow accessibility of the school through one main entrance at the front office. An electronic gate will provide additional security to ensure only authorized visitors may enter campus. Two emergency access gates have been installed off of the main athletic field, to allow easier accessibility in the event of an emergency or school-wide evacuation. The solar panel installation began in June 2014 and was completed in August 2014. Installation of these panels were made in the main parking lot, providing additional cover over the parking spaces. This project also provides movement-sensor lights to illuminate the parking lot after dark.

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

A scheduled maintenance program is administered by the district to ensure that all classrooms, restrooms, and facilities are well-maintained and in good repair. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Stockton Unified takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, we utilize the facility survey instrument developed by the State of California OPSC. The full report is available upon request.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	16.0	21.0	26.0	28.0	48.0	50.0
Math	17.0	19.0	20.0	21.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

Grade Level	2017-18 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
5	13.2	23.1	10.7
7	10.9	5.0	2.0

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**School Year 2017-18 CAASPP Assessment Results - English Language Arts (ELA)
Disaggregated by Student Groups, Grades Three through Eight and Eleven**

Students with Disabilities	39	37	94.87	2.70
Students Receiving Migrant Education Services	23	23	100.00	13.04
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018-19)

Wilhelmina Henry School recognizes that parents and the community play an important role in the success and education of their students. Parents who have their fingerprints and current TB test on file in the office are welcome and encouraged to participate in the classroom, at school events, and on field trips. Parents interested in volunteering at school can contact our Parent Liaison in the Parent Resource Center. Wilhelmina Henry School offers several opportunities and programs to encourage parent involvement. Our school has established partnerships with community businesses and organizations to increase parent participation.

English Language Parent Involvement Committee (ELPIC)

English as a Second Language for adults (ESL)

Ongoing Parent Trainings and Workshops

Parent Engagement Initiatives (APTT, Parent/Teacher Conferences, Phone Calls, Family Events)

Parent Resource Center with a Parent Liaison

Parent Teacher Student Association (PTSA)

School Site Council (SSC)

Henry School believes that the parents and guardians can support the learning environment of the school and their students by:

- Monitoring student attendance
- Monitoring completion of student homework
- Monitoring and regulating television viewing
- Participating in the decision making process in school organizations and committees
- Planning and participating in activities at home that support classroom learning
- Volunteering in the classroom

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Our school places a strong emphasis on ensuring the safety of all students and staff members. Every effort is made to ensure students are monitored while on campus throughout the school day. Two Campus Safety Assistants (CSA), noon duty supervisors, teachers, site administrators, and school staff provide supervision for students before, during, and after school. The playgrounds are safe for all students. All visitors must sign in at the office and receive proper authorization to be on campus, and must display their passes at all times. The county Sheriff, SUSD police, fire department, and ambulance service are all support entities which serve and teach, further ensuring student, staff, and community safety.

The school’s custodial team and administration ensures the school facilities are in compliance with all federal and state health and safety regulations. Each year a deep cleaning process occurs during a close of school, either during the summer or other extended breaks. In the event of a facility plant emergency, the principal notifies appropriate site and district personnel to resolve the emergency and safely secure or evacuate the students, based upon the site and district emergency preparedness plans. A site review with the district Internal Evaluation Instrument (IEI) occurs annually.

A comprehensive School Safety Plan was submitted in August 2016. It is reviewed twice yearly by the certificated staff at a regularly scheduled staff meeting and with the classified staff and parents on specified dates. The school’s Disaster Preparedness Plan identifies procedures to follow during emergencies and natural disasters and which staff member is responsible for which duty. Emergency drills are conducted on a regular basis.

6	21	27	28	4	1	1	2	7	5	1		2

* Number of classes indicates how many classes fall into each size category (a range of total students per class).

Professional Development provided for Teachers

Certificated staff receive ongoing professional development. Henry School is a Professional Learning Community (PLC), and staff have received PLC trainings by Solution Tree in Leadership, Grade Level, and Data Teams. The district provided CCSS training in the Units of Study in English Language Arts (ELA) and Math, which are the district-approved CCSS curricula. This year, certificated staff is being offered trainings in English Language Development (ELD) Units of Study, Next Generation Science Standards (NGSS), Common Formative Assessments (CFA), and the use of instructional technology. Professional development opportunities are offered during the instructional day, after school, and during the summer. Teachers are supported during implementation by site Instructional Coaches and district coaches. Levels of implementation are monitored through observation, information provided through data collection, and academic conferences.

Types of Services Funded

The following is a list of Federal and State funded programs that may be available to schools in the district:

- Title I Helping Disadvantaged Students Meet Standards
- Title I Homeless
- Title I Migrant Education
- Title II Improving Teacher Quality
- Title III Limited English Proficient Students
- Teacher Induction Program
- Extended Day Programs
- English Language Acquisition Program (ELAP)

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
