School Description

At Spanos Elementary we are guided by our mission statement of "All students learn at the highest levels and are inspired to become life-long learners." At Spanos School we,

- Collaborate around common data to implement best practices.
- Facilitate purposeful learning which leads to high achievement.
- Foster strong community connections which creates a welcoming, respectful, and safe learning environment.

Mastery of Common Core grade level standards in reading, writing, and mathematics forms the foundation of the instructional programs. Science, social studies, physical education and visual and performing arts rounds out our curriculum.

We are proud to offer our students the opportunity to work one-to-one with Chromebooks during the instructional day. We continue to grow our collection of library books each year, to ensure that our students have access to multiple genres and endless choice of titles to enjoy.

We also continue to build strong collaboration and partnerships with our parents and families of the students we teach. Your involvement and participation is needed and valued. Communication is a vital component to the success of our students. School wide communication folders go home each Wednesday and weekly information can be found in this communicator, our website and on the marquee in the front of our school. For more information, pictures, and celebratory news, please continue to view our Alex G. Spanos Elementary School web site at <http://www.stocktonusd.net/Spanos> as it is updated regularly. We look forward to working with you to create new opportunities and new accomplishments for our students this year.

The following is a list of Federal and State funded programs that may be available to schools in the district:

- Title I, Part A, Improving Academic Achievement
- Title I Homeless
- Title I Migrant Education
- Title II, Part A, Supporting Effective Instruction
- Title III Limited English Proficient Students
- Title IV, Part A, Student Support and Academic Enrichment Grant
- Teacher Induction Program
- Extended Day Programs

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

The main fact about textbooks that the Williams legislation calls for described whether schools have books in core classes for all students. The law also asks districts to reveal whether those books are what the California content standards calls for. This information is far more meaningful when along with the more detailed description of textbooks contained in our School Accountability Report Card (SARC). Here you'll find the names of the textbooks used in our core classes and their dates of publication.

Textbooks and Instructional Materials

School Facility Conditions and Planned Improvements (Most Recent Year)

A scheduled maintenance program is administered by the district to ensure that all classrooms, restrooms, and facilities are well-maintained and in good repair. The principal works directly with the custodial staff to develop regular cleaning schedules to ensure a clean, safe and orderly school. Every morning before school begins, the day custodian and campus safety assistant inspect facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and one evening custodian

are assigned to Spanos School. The day custodian is responsible for:

- General maintenance
- Groundskeeping
- Lunch area setup/cleanup
- Restroom cleaning
- Office area cleaning

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening custodian is responsible for:

- Classroom cleaning
- Common use area cleaning
- Restroom cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

Stockton Unified takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, we utilize the facility survey instrument developed by the State of California OPSC. The full report is available upon request.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	23	22	28	31	50	50
Math	25	19	21	21	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

Grades Five, Eight, and Ten

Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

2018-19 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6
5	15.9	27.0	6.3
7	32.3	9.7	9.7

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Parent support and involvement continue to be important aspects of the success at Spanos Elementary. We welcome parents as true partners in their child's learning experience and we provide many opportunities for training and involvement through the following programs:

- School Site Council & District Advisory Council
- After School Programs
- English Learner Parent Advisory Committee (ELAC)
- Parent-Teacher Association (PTA)
- Parent Coffee Hour workshops every month
- Student Assistance Program (SAP) and Student Study Team (SST)
- Parent Nights: Family functions with academic and extra-curricular emphasis
- Partnership with Chaplain Bob and the Center
- Quarterly Academic Meeting with Parent and Teacher (AMPT)

We believe that parents and guardians can support the learning environment of the school and their students by:

- Monitoring attendance- attend every day, on time, and all day.
- Monitoring completion of homework
- Monitoring and regulating television viewing
- Volunteering in the classroom
- Attending school functions
- Encouraging your child to do their best work
- Providing a quiet place for your child to their homework
- Communicating regularly with your child's teacher

To learn more about becoming a part of the school community and participating, please call the school's office.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Our school places a strong emphasis on ensuring the safety of all students and staff members. The school's custodial team ensures the school facilities are in compliance with all federal and state health and safety regulations. Each year a deep cleaning process occurs during a close of school, either during the summer or other extended breaks. In the event of a facility plant emergency, the principal notifies appropriate site and district personnel to resolve the emergency and safely secure or evacuate the students, based upon the site and district emergency preparedness plans. A site review with district Internal Evaluation Instrument (IEI) occurs annually.

A comprehensive School Safety Plan, which is reviewed yearly by the staff and the School Site Council, helps to provide a secure, peaceful and clean environment for the school community. The School Safety Plan was last reviewed in January 2019. The school's Disaster Preparedness Plan identifies procedures to follow during emergencies and natural disasters. Emergency drills are conducted on a regular basis.

Every effort is made to ensure students are monitored while on campus throughout the day. Yard supervisors, teachers, site administrators and school staff provide supervision for students before and during school. The playground is safe for all students. All visitors must sign in at the office and receive proper authorization to be on campus, and must display their passes at all times.

A copy of our Comprehensive School Safety Plan can be obtained from the office.
