### School Description

Martin Luther King, Jr. Elementary sits in the southeast Stockton community. The school has a little over 1,000 students in grades K-8th. We also have three classrooms of Headstart Preschool and Transitional Kindergarten class. The population includes 40% English Learners.

Our vision at Martin Luther King, Jr. Elementary, is for all members of the school to work together to ensure that students have the 21st Century Skills necessary to compete in the future Global Market. Students have the opportunity to participate and are successful in a highly engaging and enriching learning environment.

Our mission is to empower students to reach their highest potential, inspire excellence, and engage members of the school community in an effort to enhance the students' academic excellence. In our Guiding Principles, we strive to achieve the following:

- Demonstrate our Tribes Agreements of Mutual Respect, Attentive Listening, Appreciation, and No Put-Downs.
- Use rigorous, challenging standards-based instructional programs and practices that ensure all students attain academic proficiency.
- Provide a safe and structured learning environment.
- Establish and maintain partnerships with businesses and social service agencies in order to fully meet the students' needs, e.g., academic, social, psychological, etc.
- Immerse students in a variety of learning experiences through all learning styles.
- Build students' self-esteem to ensure they become self-reliant, confident, productive citizens.
- Ensure that parents work closely with the staff to assure they are active participants in their child's education at school and at home.

Our school incorporates many safety net strategies and programs to ensure students have the most optimal learning environment possible. Our school goals include:

1. Every child by the end of 3rd grade will read and comprehend at the proficient level.
2. Every child by the end of the 9th grade will demonstrate mastery of Algebra concepts and application.
3. All English Learners will move up one performance band each year and will be reclassified before leaving King School.
4. All teachers will collaborate together weekly in a professional structure to ensure that all students achieve academic success.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

\* Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

The main fact about textbooks that the Williams legislation calls for described whether schools have books in core classes for all students. The law also asks districts to reveal whether those books are what the California content standards calls for. This information is far more meaningful when along with the more detailed description of textbooks contained in our School Accountability Report Card (SARC). Here you'll find the names of the textbooks used in our core classes and their dates of publication.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	35	34	28	31	50	50
Math	25	20	21	21	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### CAASPP Test Results in Science for All Students

#### Grades Five, Eight, and Ten

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

### 2018-19 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6
5	14.2	17.7	3.5
7	21.0	23.5	12.6

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

### Types of Services Funded

The following is a list of Federal and State funded programs that may be available to schools in the district:

- Title I, Part A, Improving Academic Achievement
- Title I Homeless
- Title I Migrant Education
- Title II, Part A, Supporting Effective Instruction
- Title III Limited English Proficient Students
- Title IV, Part A, Student Support and Academic Enrichment Grant
- Teacher Induction Program
- Extended Day Programs

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2019-20)

King Elementary School believes that parents and the community play an important role in the education of our students. The School Site Council (SSC), Parent Teacher Organization (PTO), and the English Learner Advisory Committee (ELAC) meet regularly throughout the school year to make decisions on behalf of the children at King School. The SSC reviews and advises on the school's budget and support personnel for the school. The ELAC provides an opportunity for parents of English Learners to meet together and learn more about the curriculum and programs provided at King Elementary School to assist English Learners in becoming proficient in English, achieve at high levels in core academic subjects, meet challenging state academic content and achievement standards expected of all students. The PTO organizes fundraisers and activities for students and teachers.

In our Parent Compact, we ask that parents bring their children to school daily and on time, assist their child in using the planner or weekly folders in Grades K-8, attend Family Literacy and Math nights, Back to School nights, model the Tribes agreements of showing mutual respect to all teachers, school staff, and other parents, and monitor their child's academic progress.

Parents are encouraged to visit their child's classroom. Before visiting, parents must sign in at the office. Each teacher is required to select a room parent for the school year. This "room parent" assists the teacher with activities, student centers, and field trips. This parent serves as a liaison between the teacher and the parents of the classroom. A Coffee Hour is held in the King Family Center every Wednesday morning, where parents are encouraged to come and discuss various issues, such as children's health and safety. It is also an open forum with the principal to discuss any concerns or answer any questions for parents. A variety of community resource agencies and our support staff provide workshops for our parents. The topics are selected by an annual parent interest survey. Additionally, classes are held daily in the King Family Center. Classes include computers, English as a Second Language (ESL), nutrition, health, exercise, financial planning, and basic parenting skills. Parenting Partners curriculum is offered through the King Family Center and they hold sessions every Monday morning.

King Elementary School has a medical clinic on campus open 5 days a week Monday-Friday. Anyone in the community, including parents, neighbors, and students have access to the clinic for minor health care needs. In addition, WIC meets monthly with parents and community. These medical provisions have helped form an active bond between the school and the community. A parent calendar is sent home monthly with the King Family Center parent activities and a monthly parent bulletin goes home explaining school and classroom student activities.

Parents who wish to participate in King Elementary School’s leadership teams, school committees, school activities, or become volunteers may contact Connie M. Fabian, Principal, or Cindy Martel, parent liaison at (209) 933-7230.

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan**

Our school places a strong emphasis on ensuring the safety of all students and staff members. The school’s custodial team ensures the school facilities are in compliance with all Federal and State health and safety regulations. Each year a deep cleaning process occurs during the close of school, either during the summer or other extended breaks. Additionally, the Head custodian and the Principal inspect the grounds and report through a monthly safety inspection to the district’s Risk Management Department. The school has 1 daytime custodian and 3 nighttime custodians to maintain a campus of 1040 students.

In the event of a facility plant emergency, the principal notifies appropriate site and district personnel to resolve the emergency and safely secure or evacuate the students, based upon the site and district emergency preparedness plans. A site review with the district Internal Evaluation Instrument (IEI) occurs annually. A comprehensive School Safety Plan is revised annually in July prior to the opening of the new school year by the school’s administration. Training on the plan is provided to all staff at the “Beginning of the Year” staff meeting. Continuous training takes place at staff meetings monthly where staff discusses emergency drills and table top discussions on topics related to student and staff safety. A new program called, "Share 911" has been incorporated into our safety plan. The program allows teachers to be alerted and communicate via phone or computer.

Alongside a Positive Behavior Intervention and Support(PBIS) plan addendum the safety plan helps to provide a secure, peaceful and clean environment for the school community. The school’s Disaster Preparedness Plan identifies procedures to follow during emergencies and natural disasters. Emergency drills are conducted monthly.

Emergency Preparedness kits are maintained and available in each teaching area, offices, and library. Communication radios have been purchased for yard duty, each teaching academy, office, library, and administration offices. Every effort is made to ensure students are monitored while on campus throughout the school day. There are 6 yard supervisors, 2 campus safety assistants, 2 full-time counselors, teachers, 3 site administrators and other school staff that provide supervision for students before, during, and after school. The playground is monitored by the staff to ensure that it is safe for all students. All visitors must sign in at the office and receive proper authorization to be on campus, and must display their passes at all times. The school gates are locked during the day after school begins and reopened during school dismissal. The school district installed a security fence limiting access to the campus and allowing entrance only by coming through the office in 2012-13. Camera upgrades were completed in the 2017-2018 school year.
