School Description

Madison Elementary School is a standards-based learning community of students, staff, and families. Our goal is to provide a safe, nurturing environment. We hold high expectations for all learners' growth and development that will empower them to become respectful, responsible and productive citizens.

We provide our learners with access and the ability to utilize technology and to broaden their knowledge and understanding of the world around them. Our goal is to provide students with research based instruction to help them master the rigorous California content standards. Administration and staff work to develop strategies to assist all learners to be achievers. We believe in students being proficient in various forms of communication.

We are building a learning community for the success of all students and to strengthen the home connection. With positive understanding of our cultural diversity, we are providing students with guidance in how to demonstrate and produce positive characteristics. We are preparing our students to be both academically and emotionally responsible to become lifelong learners.

Madison knows that when parents and the school work together as a team, children grow academically, emotionally, and socially. Student achievement goes up, and everyone is proud of the type of education their children receive. Madison's door is open to ideas, suggestions, and assistance in making it a place where all feel welcome and are a part of their children's education. Please join us in making this the school you wish your child to have.

Types of Services Funded

The following is a list of Federal and State funded programs that may be available to schools in the district:

- Title I, Part A, Improving Academic Achievement
- Title I Homeless
- Title I Migrant Education
- Title II, Part A, Supporting Effective Instruction
- Title III Limited English Proficient Students
- Title IV, Part A, Student Support and Academic Enrichment Grant
- Teacher Induction Program
- Extended Day Programs

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

The main fact about textbooks that the Williams legislation calls for described whether schools have books in core classes for all students. The law also asks districts to reveal whether those books are what the California content standards calls for. This information is far more meaningful when along with the more detailed description of textbooks contained in our School Accountability Report Card (SARC). Here you'll find the names of the textbooks used in our core classes and their dates of publication.

School Facility Conditions and Planned Improvements (Most Recent Year)

The main building of Madison School was originally built in 1950. Portable classrooms were added at various times to accommodate a growing enrollment. The school exterior was painted in 2008.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Cleaning Process and Schedule

A scheduled maintenance program is administered by the district to ensure that all classrooms, restrooms, and facilities are well-maintained and in good repair. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Stockton Unified takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, we utilize the facility survey instrument developed by the State of California OPSC. The full report is available upon request.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	19	30	28	31	50	50
Math	11	18	21	21	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Madison School recognizes that parents and the community play an important role in the success and education of their students. Partnerships are established with community businesses and organizations to increase parent participation. Several opportunities and programs are offered to encourage parent involvement.

- After School Programs
- Counseling services when available
- English Language Parent Involvement Committee (ELPIC)
- English Language Learner instruction and support (ELD)
- Parent/Student conferences when possible
- Parent/Teacher organizations (PTSA)
- School Site Council (SSC)

Madison believes that the parents and guardians can support the learning environment of the school and their students by:

- Monitoring student attendance
- Monitoring completion of student homework
- Participating in the decision making process in school organizations and committees
- Planning and participating in activities at home that support classroom learning
- Volunteering in the classroom

Parents and community members who wish to become a part of the school community and participate should call the school's office.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Our school places a strong emphasis on ensuring the safety of all students and staff members. The school's custodial team ensures the school facilities are in compliance with all federal and state health and safety regulations. Each year a deep cleaning process occurs during a close of school, during the summer or other extended breaks. In the event of a facility plant emergency, the principal notifies appropriate site and district personnel to resolve the emergency and safely secure or evacuate the students, based upon the site and district emergency preparedness plans. A site review with the district Internal Evaluation Instrument (IEI) occurs annually.

A comprehensive School Safety Plan helps to provide a secure, peaceful and clean environment for the school community. The school's Readiness and Emergency Management for Schools (REMS) Plan identifies procedures to follow during emergencies and natural disasters. Emergency drills are conducted on a regular basis. Our safety plan is reviewed and updated every year in Aug. This year our plan was updated on Aug 20, 2016.

Every effort is made to ensure students are monitored while on campus throughout the school day. Yard supervisors, security monitors, teachers, site administrators and school staff provide supervision for students before, during and after school. The playground is safe for all students. All visitors must sign in at the office, present photo identification and receive proper authorization to be on campus, and must display their passes at all times.
