#### **Principal's Message:**

Montezuma provides a safe and positive environment for children to learn.

Montezuma will develop students that are able to become productive members of their community.

All teachers, at Montezuma provide instruction and assessment based on the California Common Core standards, CAFE (Comprehension, accuracy, Fluency and Expanded vocabulary) Reading strategies, and utilize the district adopted curriculum and materials. Teachers meet biweekly to collaborate, analyze data and plan. Additional opportunities and programs to meet the individual needs of all students include: Advancement via Individual Determination (AVID), after school tutoring and homework support, and a Learning center for extra support and intervention.

Montezuma benefits from the Project prevent Grant, which provides: two behavioral therapists, a full time counselor and a G.R.E.A.T officer (gangs resistant training and education training)- all persons help support students and families with counseling and gang prevention and positive decision making.

Additionally, we have a beautiful library, and full time librarian, with a wide variety of books to help support literacy from grades transitional kindergarten through eighth grade. We also feature a computer lab and class sets of Google Chromebooks equipped with intervention programs for reading and math. We offer two full time counselors, a speech therapist, a part time campus Security officer, and a mental health clinician to assist with a student's and family, social, behavioral and attendance issues.

Montezuma is committed to working collaboratively with its community and families in order to create an atmosphere of learners. Parent involvement activities include: the monthly newsletter, English Language Parent Involvement Committee meetings, Family Involvement Committee, School Site Council, Parent Coffee Hours, Academic Workshops, Positive Parenting Classes in English and Spanish, Parent teacher conferences, a variety of workshops held by community groups such as Farmers Market, Child Abuse Council, Concilio, St. Joseph's Medical Center, San Joaquin County Behavioral Health Services, and Migrant Education are some of the organizations that work with our parents. The administrative team participates in Instructional rounds.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

The main fact about textbooks that the Williams legislation calls for described whether schools have books in core classes for all students. The law also asks districts to reveal whether those books are what the California content standards calls for. This information is far more meaningful when along with the more detailed description of textbooks contained in our School Accountability Report Card (SARC). Here you'll find the names of the textbooks used in our core classes and their dates of publication.

#### School Facility Conditions and Planned Improvements (Most Recent Year)

Montezuma has 40 classrooms to support our student population. The actual amount occupied, and in use varies year to year, as enrollment fluctuates. We also have: a multipurpose room, a library and an administration building. Our multipurpose room supports our breakfast and lunch program, school assemblies eight grade graduation and other events.

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

A scheduled maintenance program is administered by the district to ensure that all classrooms, restrooms, and facilities are well-maintained and in good repair. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Stockton Unified takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, we utilize the facility survey instrument developed by the State of California OPSC. The full report is available upon request.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	26	28	28	31	50	50
Math	19	24	21	21	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2019-20)

Montezuma recognizes that parents and the community play an important role in the success and education of our students. Montezuma has established partnerships with community businesses and organizations to increase parent participation. Each school offers several opportunities and programs to encourage parent involvement.

- After School Programs
- Counseling services, when available
- English Language Advisory Committee (ELAC)
- English Language Learner instruction and support (ELD)
- Family Health Centers and programs when and where available
- Academic Support for parents during Parent Coffee Hours
- Attend nutrition classes provided by St. Joseph's Medical Center and Local Farmer's Market
- Parent/Student conferences when possible
- Parent/Teacher organizations (PTA/PTO/PTC)
- Transitional Kindergarten
- School Site Council (SSC)

Our school believes that the parents and guardians can support the learning environment of the school and their students by:

- Monitoring student attendance
- Monitoring completion of student homework
- Monitoring and regulating television viewing and video game use.
- Participating in the decision making process in school organizations and committees
- Planning and participating in activities at home that support classroom learning
- Volunteering in the classroom

Parents and community members who wish to become a part of the school community and participate should call the school's office.

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### School Safety Plan

Our school places a strong emphasis on ensuring the safety of all students and staff members. The school's custodial team ensures the school facilities are in compliance with all federal and state health and safety regulations. Each year a deep cleaning process occurs during a close of school, either during the summer or other extended breaks. In the event of a facility plant emergency, the principal notifies appropriate site and district personnel to resolve the emergency and safely secure or evacuate the students, based upon the site and district emergency preparedness plans. A site review with the district Internal Evaluation Instrument (IEI) occurs annually.

A comprehensive School Safety Plan, which was recently reviewed by the School Site Council, helps to provide a secure, peaceful and clean environment for the school community. The school's Disaster Preparedness Plan identifies procedures to follow during emergencies and natural disasters. Emergency drills are conducted on a regular basis.

Every effort is made to ensure students are monitored while on campus throughout the school day. Yard supervisors, teachers, site administrators and school staff provide supervision for students before and during school. The playground is safe for all students. All visitors must sign in at the office and receive proper authorization to be on campus. All visitors are required to display their passes at all times.
