School Description

Vision: Pittman Charter community prepares students to become academically successful, inquisitive life-long learners who continue to develop their individual and civic responsibilities toward global citizenship. Our mission is to prepare life-long learners for the 21st century by providing a comprehensive education. In addition to a curriculum of language arts, mathematics, and social studies, we included technology and the arts, inquiry-based hands-on science, and offer an option in Spanish Dual-Immersion. In a safe and inclusive environment, Pittman staff strives to develop creative and critical thinkers in strong partnership with our families and community.

Mission: Pittman Charter School's mission is to prepare life-long learners for the 21st century by providing a comprehensive education. In addition to a curriculum of language arts, mathematics, and social studies, we include technology and the arts, inquiry-based hands-on science, and offer an option in Spanish Dual-Immersion. In a safe and inclusive environment, Pittman Staff strives to develop creative and critical thinkers in strong partnership with our families and community.

Our schoolwide goals are:

- * Increase academic achievement for all students in math and language arts by at least 10%.
- * Ensure and promote a safe, caring and positive environment.
- * Students and parents will have a sense of pride and ownership of our school.

Our academic goal for this year is to improve reading, math and writing for all grade levels.

Types of Services Funded

The following is a list of Federal and State funded programs that may be available to schools in the district:

- Title I, Part A, Improving Academic Achievement
- Title I Homeless
- Title I Migrant Education
- Title II, Part A, Supporting Effective Instruction
- Title III Limited English Proficient Students
- Title IV, Part A, Student Support and Academic Enrichment Grant
- Teacher Induction Program
- Extended Day Programs

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

The main fact about textbooks that the Williams legislation calls for described whether schools have books in core classes for all students. The law also asks districts to reveal whether those books are what the California content standards calls for. This information is far more meaningful when along with the more detailed description of textbooks contained in our School Accountability Report Card (SARC). Here you'll find the names of the textbooks used in our core classes and their dates of publication.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	24	32	28	31	50	50
Math	18	21	21	21	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

2018-19 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Wel believes that the parents and guardians can support the learning environment of the school and their students by: Monitoring student attendance; Monitoring completion of student homework; Monitoring and regulating television viewing; Participating in the decision making process in school organizations and committees; Planning and participating in activities at home that support classroom learning; Volunteering in the classroom; Parents and community members who wish to become a part of the school community and participate are encouraged to contact the school's office.

Our school also recognizes that parents and the community play an important role in the success and education of their students. We have established partnerships with community businesses and organizations to increase parent participation. What follows are ways in which we try to involve our parents and community:

- After School Programs
- Counseling services
- Valley Community Counseling Services 2 days a week (Tuesdays and Thursdays)
- English Language Parent Involvement Committee (ELPIC)
- Victor Community Support Services - School Based Wrap Program 5 days a week
- Twice a year, each teacher hold Group Academic Conferences with all their parents to promote student academic achievement and teach parents a useful strategy(ies) they can use at home. (Formally known as APTT)
- English Language Learner instruction and support (ELD)
- Family Health Centers and programs when and where available. This year, with the assistance of St. Joseph's Hospital, we're providing parents a six week course on the prevention of Diabetes.
- Parent Coffee Hour and Parent Academy
- Parent/Student conferences (once per year)
- Spanish Dual Immersion K-8
- Education Pre-school Program (ages 0-5)

- School Site Council (SSC)
- Parent Nights: Festival of Honor, Science Night, AVID meetings, Art Slam, Turkey Bingo...
- After school clubs for their children: Chess, Archery, MESA, Student Council, Guitar, Drone...
- Chaperone on field-trips

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Our school places a strong emphasis on ensuring the safety of all students and staff members. The school’s custodial team ensures the school facilities are in compliance with all federal and state health and safety regulations. Each year a deep-cleaning process occurs during a close of school, either during the summer or other extended breaks. In the event of a facility plant emergency, the principal notifies appropriate site and district personnel to resolve the emergency and safely secure or evacuate the students, based upon the site and district emergency preparedness plans. A site review with the district Internal Evaluation Instrument (IEI) occurs annually. A comprehensive School Safety Plan, which was recently reviewed by the School Site Council, helps to provide a secure, peaceful and clean environment for the school community. The Plan is communicated to both students and staff on a regular basis. The school’s Disaster Preparedness Plan identifies procedures to follow during emergencies and natural disasters. Emergency drills are conducted on campus on a regular basis. This year we participated in the "Great Shake Out" event. Every effort is made to ensure students are monitored while on campus throughout the school day. Yard supervisors, teachers, site administrators and school staff provide supervision for students before, during, and after school. The playground is safe for all students. All gate entrances are locked during the school day to prevent unauthorized access. All visitors must sign in at the office and receive proper authorization to be on campus, and must display their passes at all times.
