Principal's Message

Stockton Early College Academy (SECA) is an early college model high school, which are typically small, highly diverse learning communities (grades 9-12), and are physically located on, or near, a college campus. At SECA, students are engaged in a highly rigorous academic curriculum that involves both college preparatory (Honors) and Advanced Placement (AP) core high school classes (English, Social Science, Math, and Science), as well as fully transferable (non-remediation) college courses taken from San Joaquin Delta Community College, which both supplement and expand the core offerings and fulfill elective requirements.

The result is that SECA students have the opportunity to earn both a high school diploma and up to two years of fully transferable credit – at no cost to the students or their parents – towards a Bachelor's Degree at a four year university. In this process, many of the students are also awarded AA or AS degrees from Delta College.

SECA is specifically designed to help young people progress toward the education and experience that they will need to succeed both in life and family-supporting careers. It is also uniquely positioned to reach out to students who are of an ethnicity that is typically under served in higher education, who come from socio-economically challenged families, and/ or who will be the first in their immediate family to attend, and graduate from, a four-year university.

Joshua Thom, PRINCIPAL

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Types of Services Funded

The following is a list of Federal and State funded programs that may be available to schools in the district:

- Title I, Part A, Improving Academic Achievement
- Title I Homeless
- Title I Migrant Education
- Title II, Part A, Supporting Effective Instruction
- Title III Limited English Proficient Students
- Title IV, Part A, Student Support and Academic Enrichment Grant
- Teacher Induction Program
- Extended Day Programs

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

The main fact about textbooks that the Williams legislation calls for described whether schools have books in core classes for all students. The law also asks districts to reveal whether those books are what the California content standards calls for. This information is far more meaningful when along with the more detailed description of textbooks contained in our School Accountability Report Card (SARC). Here you'll find the names of the textbooks used in our core classes and their dates of publication.

School Facility Conditions and Planned Improvements (Most Recent Year)

SECA's campus opened in the school year of 2012-2013. During that school year, the campus went through a complete modernization with additions of a gym, a cafeteria, classrooms, and perimeter fencing.

Stockton Unified takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, we utilize the facility survey instrument developed by the State of California OPSC. The full report is available upon request.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	82	92	28	31	50	50
Math	61	68	21	21	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

School Year 2018-19 CAASPP Assessment Results - English Language Arts (ELA)

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

2018-19 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6
9	25.4	20.2	33.3

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

SECA offers an extensive network of communication tools designed to connect parents and children to both the school community and to each other. The staff of the school communicates whenever necessary with both parents and students. This communication may be verbal (both in person and by phone); written (in the form of emails, mailers, or letters); or in meetings (special assemblies, and fund raisers).

Teachers initiate regular communication with parents regarding a student's progress, as well as listen and respond to parents' needs and concerns about the operation of the school.

Parents are encouraged to be proactive, to contact teachers, specialists, and/or the principal to solve problems, give feedback, and pass on ideas and insights to the school community. The principal maintains an "open door" policy for all staff, students, parents, and community members.

Direct parental involvement is fundamental to the success of SECA. Parents and students are encouraged to express their individual and collective voices, and to provide feedback to the Principal and to the staff. Parents and students may also be asked to give critiques and/or testimonials about the program.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

SECA is a very safe campus with a college-like physical and social environment. SECA's safety plan is reviewed and revised on an annual basis, and both faculty and students are fully aware of the procedures to follow in an emergency situation. There were no incidents of violence or disruption on the campus during 2017-2018, with no suspensions or expulsions.
