School Description

Located in the city of Mission Viejo, Glen Yermo Elementary School opened in 1974. Since that time, we have served over 400 students each year. Glen Yermo provides an excellent instructional program for an increasingly diverse school community.

Glen Yermo's instructional program is closely aligned with California Common Core State Standards. We also provide learning enrichment opportunities, a variety of support programs, and student access to technology.

Parents and community members volunteer in classrooms and coordinate special activities. We value our families and encourage parent participation in the PTA, English Language Advisory Committee, and School Site Council. This kind of teamwork promotes excellence at Glen Yermo.

About the SARC

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- View this SARC online at the school and/or LEA Web sites.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school at (949) 586-6766.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2014-15)

We choose textbooks and instructional materials that are aligned to state-adopted content standards consistent with state-adopted curriculum framework content and cycles. This report includes a list of some of the textbooks and instructional materials we use at our school. We have also reported additional facts about our textbooks called for by the Williams legislation of 2004. This report shows whether each student in each core course had sufficient textbooks or instructional materials that are consistent with the content and cycles of the state-adopted curriculum frameworks for those subjects.

School Facility Conditions and Planned Improvements (Most Recent Year)

Glen Yermo Elementary School opened in 1974. We provide a safe and clean environment for learning. Our plant foreman and night custodians maintain the school and its grounds. We also made these structures more easily accessible to handicapped children. Glen Yermo was completely renovated during the 2006–2007 school year. In the 2007–2008 school year, additional improvements were made in all classrooms, a large multipurpose room was built, and the parking lot was renovated.

More facts about the condition of our school buildings are available in an online supplement to this report called for by the Williams legislation of 2004. What you will find is an assessment of more than a dozen aspects of our buildings: their structural integrity, electrical systems, heating and ventilation systems, and more. The important purpose of this assessment is to determine if our buildings and grounds are safe and in good repair. If anything needs to be repaired, this assessment identifies it and targets a date by which we commit to make those repairs. The guidelines for this assessment were written by the Office of Public School Construction (OPSC) and were brought about by the Williams legislation. You can look at the six-page Facilities Inspection Tool used for the assessment on the Web site of the OPSC.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress and its successor the Standardized Testing and Reporting Program);
- The Academic Performance Index; and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

* "N/D" means that no data were available to the CDE or LEA to report. "B" means the school did not have a valid API Base and there is no Growth or target information. "C" means the school had significant demographic changes and there is no Growth or target information.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement

Our School Site Council includes parents, teachers, and staff. The council approves our school plan and budget each year, and also oversees our English Language Advisory Committee, Title I program, and Gifted and Talented Education (GATE) expenditures. Our PTA has helped us replace our playground equipment, build our library, update technology, purchase books, and provide music, art and science enrichment programs. New members are always welcome, and we provide language support for parents who speak Spanish. To find out how you can volunteer, please contact PTA president Fidelia Anderson through the school office at (949) 586-6766.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Student and staff safety is a primary concern at Glen Yermo. We maintain a safety plan to ensure a secure and orderly learning environment, and we update our emergency procedures yearly. We hold disaster-preparedness drills each month, and staff members monitor our campus before school, after school, and during recesses. We require visitors to register in the office and wear identification tags. The custodial staff maintains the buildings and grounds.

Types of Services Funded at Glen Yermo Elementary School

The federal law known as No Child Left Behind requires that all schools and districts meet all three of the following criteria in order to attain Adequate Yearly Progress (AYP):

- (a) a 95-percent participation rate on the state's tests
- (b) a CDE-mandated percentage of students scoring Proficient or higher on the state's English/language arts and mathematics tests
- (c) an API of at least 740 or growth of at least one point.

Professional Development provided for Teachers at Glen Yermo Elementary School

Glen Yermo staff focused on the following areas in staff development after looking at school-wide data and participating in classroom visitations: extended language time, Thinking Maps (visual tools for learning), engagement strategies, writing instruction, and Positive Behavior Instruction and Support (PBIS). Glen Yermo's Leadership Team/ PBIS Team meet regularly throughout the school year. Grade-level teams meet monthly to review student progress, plan appropriate instruction, and share teaching strategies. All training focuses on helping students learn the skills and information outlined in our state standards.
