### School Description

Robinson Elementary School, a California Distinguished School, is committed to helping students achieve success and self-confidence by providing an outstanding academic program in a nurturing environment. In 2013–2014 our students successfully completed the Smarter Balanced Assessment Consortium's field test under the Common Core State Standards. Next year, we expect our students to perform well on the first test to be scored since the state's change from the California Standards Test (last test year, 2012-2013; Robinson scored a 908 on the Academic Performance Index, API).

Our vision is to provide the highest quality educational experiences to enable all students to become contributing members of society. Students are empowered with the technical skills to succeed in our evolving world, the ability to think and express themselves clearly, and the values necessary to be responsible citizens. The Robinson staff is committed to:

- ~ providing a challenging, standards-based academic program.
- ~ fostering success.
- ~ providing a safe environment where children are free from physical as well as emotional harm.
- ~ responsive communication.
- ~ providing fun and enriching extra-curricular activities.
- ~ developing a sense of family.
- ~ setting high expectations for student behavior.
- ~ building good character traits based upon core values of Respect, Responsibility, Integrity, Self-Control, Focus, and Compassion.

Parents and the community play an active role in our school. We welcome participation in our school activities and encourage parents to join our PTA, School Site Council, and Robinson Elementary Education Foundation. We look forward to working with you and your children during another successful year at Robinson.

## About the SARC

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- View this SARC online at the school and/or LEA Web sites.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school at (949) 589-2446.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2014-15)**

We choose textbooks and instructional materials that are aligned to state-adopted content standards consistent with state-adopted curriculum framework content and cycles. This report includes a list of some of the textbooks and instructional materials we use at our school. We have also reported additional facts about our textbooks called for by the Williams legislation of 2004. This report shows whether each student in each core course had sufficient textbooks or instructional materials that are consistent with the content and cycles of the state-adopted curriculum frameworks for those subjects.

### School Facility Conditions and Planned Improvements (Most Recent Year)

Our school opened in 1994. We have more than 50 classrooms, a library, a multipurpose room, a computer lab, two resource specialist rooms, two classrooms for severely handicapped students, a science lab, a teacher workroom, and our school office. Our kindergarten classrooms have their own playground, and we replaced the equipment on the main playground nine years ago. A swing set was added to the kindergarten playground and put into use in 2011-2012.

More facts about the condition of our school buildings are available in an online supplement to this report called for by the Williams legislation of 2004. What you will find is an assessment of more than a dozen aspects of our buildings: their structural integrity, electrical systems, heating and ventilation systems, and more. The important purpose of this assessment is to determine if our buildings and grounds are safe and in good repair. If anything needs to be repaired, this assessment identifies it and targets a date by which we commit to make those repairs. The guidelines for this assessment were written by the Office of Public School Construction (OPSC) and were brought about by the Williams legislation. You can look at the six-page Facilities Inspection Tool used for the assessment on the Web site of the OPSC.

#### School Facility Good Repair Status (Most Recent Year) Year and month in which data were collected: 9-12-14

<b>Overall Rating</b>	<b>Exemplary</b> [X]	<b>Good</b> [ ]	<b>Fair</b> [ ]	<b>Poor</b> [ ]	Our school meets most or all of the standards for good repair, established by the Office of Public School Construction. If we have any deficiencies, they are not significant. We scored between 99 and 100 percent on the 15 categories of our evaluation.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress and its successor the Standardized Testing and Reporting Program);
- The Academic Performance Index; and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### CAASPP Results for All Students - Three-Year Comparison

Science	89	94	92	79	81	81	60	59	60

\* Science (grades 5, 8, and 10) assessments include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA). Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

#### STAR Results for All Students - Three-Year Comparison

Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)								
	School			District			State

HSS				69	71	71	48	49	49

\* STAR Program was last administered in 2012-13. Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

#### Academic Performance Index Ranks - Three-Year Comparison

API Rank	2010-11	2011-12	2012-13
Statewide	9	9	9
Similar Schools	4	5	5

\* For 2014 and subsequent years, the statewide and similar schools ranks will no longer be produced.

#### Grade Level

Grade Level	2013-14 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
5	11.8	17.6	62.7

\* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

#### 2013-14 CAASPP Results by Student Group

Group	Percent of Students Scoring at Proficient or Advanced

Students with Disabilities			

\* "N/D" means that no data were available to the CDE or LEA to report. "B" means the school did not have a valid API Base and there is no Growth or target information. "C" means the school had significant demographic changes and there is no Growth or target information

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### Opportunities for Parental Involvement

Parents are an integral part of our program, and we log thousands of volunteer hours each year. Our School Site Council, which always includes parent members, approves our school's annual plan and some budget expenditures. The Robinson Elementary Education Foundation supports the music program. Our PTA helps the school provide a fine arts program and a hands-on science lab program called Destination Science. The group raises funds for our assemblies and for needs that arise throughout the year. More than 80 percent of Robinson families are members of our PTA. If you would like to volunteer at our school, call the principal's office at (949) 589-2446.

### State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### School Safety Plan

The district reviews our comprehensive safety plan each fall and spring. This plan establishes standards for safety and orderliness; rules and procedures, including guidelines for handling behavior problems and emergencies; dress code; and notification by teachers to parents about student disciplinary and safety concerns. We are fully equipped with food and water to shelter students for up to 72 hours following a disaster. We practice monthly evacuation drills, as well as two disaster drills annually while working closely with the local sheriff's department to provide the safest school possible.

#### Suspensions and Expulsions

School	11-12	12-13	13-14
Suspensions Rate	0.9	0.6	0.1
Expulsions Rate	0.0	0.0	0.1
District	11-12	12-13	13-14
Suspensions Rate	3.3	2.9	1.9
Expulsions Rate	0.1	0.1	0.2
State	11-12	12-13	13-14
Suspensions Rate	5.7	5.1	4.4
Expulsions Rate	0.1	0.1	0.1

\* The rate of suspensions and expulsions is calculated by dividing the total number of incidents by the total enrollment x 100.

## D. Other SARC Information

**Types of Services Funded at Robinson Elementary School**

The federal law known as No Child Left Behind requires that all schools and districts meet all three of the following criteria in order to attain Adequate Yearly Progress (AYP):

- (a) a 95-percent participation rate on the state's tests
- (b) a CDE-mandated percentage of students scoring Proficient or higher on the state's English/language arts and mathematics tests
- (c) an API of at least 740 or growth of at least one point.

**Professional Development provided for Teachers at Robinson Elementary School**

Teachers participate in comprehensive training during three district-sponsored staff training days and in onsite training sessions throughout the year. We meet as a staff twice a month for planning and training sessions. Teachers also meet in grade-level teams to review student work, plan instruction, and review teaching strategies.
