### School Description

El Toro High School (ETHS), Home of the Chargers, is located in the city of Lake Forest, a suburban community in South Orange County with a population of 77,264. El Toro High School has proudly served the Lake Forest community for over 40 years and is one of four comprehensive high schools that comprise the Saddleback Valley Unified School District. El Toro High School has been recognized as a California Distinguished School four times, a National Blue Ribbon School of Excellence, a National School of Distinction, a Top 100 school, a ranking U.S. News and World Report Best High School in 2016 and 2017, and one of America's most spirited high schools.

El Toro High has a rich tradition of academic excellence and offers a wide range of highly regarded curricular and co-curricular programs. The primary focus of El Toro remains to be the high quality instruction for students across all disciplines, in concert with a commitment to college and career readiness. The school's commitment to the Common Core State Standards is reflected in its mission statement as well as in its policies and practices. El Toro High School's mission is to provide all students with a rigorous and competitive, standards-based curriculum in a safe learning environment that has quality extracurricular programs, which enables students to reach their highest potential. Students will be given learning opportunities that will equip them with the necessary skills they need for their own future success. Our core focus areas are the following:

1. Prepare all students for college and career readiness.
2. Increase the percentage of graduates completing "a-g" courses.
3. Expand and support 21st Century technology and Learning.
4. Nurture innovative learners and thinkers to help all students to become effective citizens and workers in the 21st century.

El Toro is recognized for its positive school climate and strong tradition of academic and athletic accomplishments, El Toro annually boasts high graduation rates, high passing rates on college preparatory program examinations such as Advanced Placement (AP) and International Baccalaureate (IB), SAT scores well above the national average, \$6,741,963.00 worth of scholarships, California Interscholastic Federation team championships and individual honors, Sea View and South Coast League Championships, National Letter of Intent athletes, and \$1,876,873.00 worth of athletic scholarships.

El Toro High is prominent from other high schools in the nation due to its culture of family, a "Charger Family." The Charger Family thrives on generosity, compassion, and service before self. There is an overwhelming consensus by all stakeholders that El Toro comprises a Charger Family that consists of faculty, support staff, student body, and administration that depict all these traits. El Toro has a thriving Associated Student Body (ASB) leadership program that has continued to emphasize the importance of the Charger Family. It is evident through El Toro's National School of Distinction Award for its work in supporting the Fight Hunger Program and its collection of 111,922 cans that are raised for South County Outreach and Adopt-a-Neighbor food banks that El Toro is truly a community high school with rich tradition, pride, compassion, and spirit.

Mrs. Terri Gusiff  
PRINCIPAL

### About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

2016-17 Student Enrollment by Grade Level	
Grade Level	Number of Students
Grade 9	649
Grade 10	608
Grade 11	631
Grade 12	598
<b>Total Enrollment</b>	<b>2,486</b>

2016-17 Student Enrollment by Group	
Group	Percent of Total Enrollment
Black or African American	2.2
American Indian or Alaska Native	0.2
Asian	8
Filipino	4.2
Hispanic or Latino	33.3
Native Hawaiian or Pacific Islander	0.2
White	46.3
Two or More Races	5.2
Socioeconomically Disadvantaged	26.1
English Learners	10.5
Students with Disabilities	8.7
Foster Youth	0.2

### A. Conditions of Learning

#### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials			
El Toro High School	15-16	16-17	17-18
<b>With Full Credential</b>	99	100	99
<b>Without Full Credential</b>	0	0	0
<b>Teaching Outside Subject Area of Competence</b>	0	0	0
Saddleback Valley Unified School District	15-16	16-17	17-18
<b>With Full Credential</b>	♦	♦	99
<b>Without Full Credential</b>	♦	♦	0
<b>Teaching Outside Subject Area of Competence</b>	♦	♦	0

Teacher Misassignments and Vacant Teacher Positions at this School			
El Toro High School	15-16	16-17	17-18
<b>Teachers of English Learners</b>	0	0	0
<b>Total Teacher Misassignments</b>	0	0	0
<b>Vacant Teacher Positions</b>	0	0	0

\* "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc. Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)**

We choose textbooks and instructional materials that are aligned to state-adopted content standards consistent with state-adopted curriculum framework content and cycles. This report includes a list of some of the textbooks and instructional materials we use at our school. We have also reported additional facts about our textbooks called for by the Williams legislation of 2004. This report shows whether each student in each core course had sufficient textbooks or instructional materials that are consistent with the content and cycles of the state-adopted curriculum frameworks for those subjects. This report also shows whether sufficient laboratory science equipment applicable to science laboratory courses is available to all students at our school.

**School Facility Conditions and Planned Improvements (Most Recent Year)**

The El Toro campus opened in 1975, and in 2005 we began a complete renovation. The campus and restrooms are maintained by the campus custodial crew and district maintenance personnel.

Modernization and the passage of Measure B have provided resources for renovations, including a new nine lane, all-weather track; a new all-weather field, with visitor bleachers and renovated home bleachers; parking lot improvements with additional spaces; an 80-station computer lab in the administration/library building; remodeled mathematics, social science, and language arts classrooms, including teacher stations; built-in projectors; upgraded infrastructure to support technology; new ceiling tiles, carpeting, whiteboards, and tack boards; remodeled locker rooms; and new seats for the theater. The main gym restrooms have been renovated and the Lighting and Bleachers Project has been completed which added lights and expanded the seating capacity for the athletic facility.

The District Solar Project was completed which resulted in solar panels installed in the student and staff parking lots at El Toro High School.

More facts about the condition of our school buildings are available in an online supplement to this report called for by the Williams legislation of 2004. What you will find is an assessment of more than a dozen aspects of our buildings: their structural integrity, electrical systems, heating and ventilation systems, and more. The important purpose of this assessment is to determine if our buildings and grounds are safe and in good repair. If anything needs to be repaired, this assessment identifies it and targets a date by which we commit to make those repairs. The guidelines for this assessment were written by the Office of Public School Construction (OPSC) and were brought about by the Williams legislation. You can look at the six-page Facilities Inspection Tool used for the assessment on the Web site of the OPSC.

**School Facility Good Repair Status (Most Recent Year)**  
**Year and month in which data were collected: October 2017**

System Inspected	Repair Status			Repair Needed and Action Taken or Planned
	Good	Fair	Poor	
<b>Systems:</b> Gas Leaks, Mechanical/HVAC, Sewer	X			
<b>Interior:</b> Interior Surfaces	X			Stained ceiling tiles, to be repaired or replaced by plant foreman
<b>Cleanliness:</b> Overall Cleanliness, Pest/ Vermin Infestation	X			

School Facility Good Repair Status (Most Recent Year)				
Year and month in which data were collected: October 2017				
System Inspected	Repair Status			Repair Needed and Action Taken or Planned
	Good	Fair	Poor	
Electrical: Electrical	X			lights not working, to be replaced by plant foreman. Missing light lens, to be replaced by maintenance
Restrooms/Fountains: Restrooms, Sinks/ Fountains	X			
Safety: Fire Safety, Hazardous Materials	X			
Structural: Structural Damage, Roofs	X			
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	X			
Overall Rating	Exemplary	Good	Fair	Poor
		X		
Our school meets most or all of the standards for good repair, established by the Office of Public School Construction. If we have any deficiencies, they are not significant. We scored between 99 and 100 percent on the 15 categories of our evaluation.				

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2016-17 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	15-16	16-17	15-16	16-17	15-16	16-17
ELA	70	82	65	64	48	48
Math	48	54	50	51	36	37

\* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	14-15	15-16	14-15	15-16	14-15	15-16
Science	72	68	79	77	60	56

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

Grade Level	2016-17 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
9	15.8	16.1	57.7

\* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**2015-16 CAASPP Results by Student Group  
Science (grades 5, 8, and 10)**

Group	Number of Students		Percent of Students	
	Enrolled	with Valid Scores	w/ Valid Scores	Proficient or Advanced
All Students	648	631	97.4	67.8
Male	338	327	96.8	70.3
Female	310	304	98.1	65.1
Black or African American	19	18	94.7	61.1
Asian	39	38	97.4	84.2
Filipino	23	23	100.0	56.5
Hispanic or Latino	207	199	96.1	54.3
White	314	308	98.1	74.0
Two or More Races	40	40	100.0	82.5
Socioeconomically Disadvantaged	178	169	94.9	50.3
English Learners	70	65	92.9	23.1
Students with Disabilities	55	48	87.3	35.4

\* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**School Year 2016-17 CAASPP Assessment Results - English Language Arts (ELA)  
Disaggregated by Student Groups, Grades Three through Eight and Eleven**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	603	582	96.52	81.96
Male	307	296	96.42	81.76
Female	296	286	96.62	82.17
Black or African American	19	19	100	78.95
Asian	39	37	94.87	89.19
Filipino	21	20	95.24	85
Hispanic or Latino	186	176	94.62	69.32
White	294	287	97.62	87.8
Two or More Races	41	40	97.56	87.5
Socioeconomically Disadvantaged	146	137	93.84	67.15
English Learners	70	59	84.29	32.2
Students with Disabilities	38	35	92.11	17.14

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**School Year 2016-17 CAASPP Assessment Results - Mathematics**  
**Disaggregated by Student Groups, Grades Three through Eight and Eleven**

<b>Student Group</b>	<b>Total Enrollment</b>	<b>Number Tested</b>	<b>Percent Tested</b>	<b>Percent Met or Exceeded</b>
<b>All Students</b>	603	569	94.36	53.7
<b>Male</b>	307	289	94.14	55.71
<b>Female</b>	296	280	94.59	51.61
<b>Black or African American</b>	19	16	84.21	31.25
<b>Asian</b>	39	38	97.44	84.21
<b>Filipino</b>	21	20	95.24	50
<b>Hispanic or Latino</b>	186	174	93.55	33.91
<b>White</b>	294	279	94.9	63.31
<b>Two or More Races</b>	41	39	95.12	58.97
<b>Socioeconomically Disadvantaged</b>	146	134	91.78	31.34
<b>English Learners</b>	70	62	88.57	9.68
<b>Students with Disabilities</b>	37	30	81.08	3.33

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## **C. Engagement**

### **State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### **Opportunities for Parental Involvement (School Year 2017-18)**

El Toro High School's School Site Council (SSC), which includes staff, students and parent members, develops and approves our annual Single Plan for Student Achievement Plan and some budget expenditures. In addition, SSC approves our dress code and school safety plan. Our English Language Advisory Committee (ELAC) comprised of parent representatives meet throughout the school to learn about school involvement opportunities to support their student and explore college and career readiness options. We have strong individual booster programs that support many of our sports and extracurricular programs. We also have an active Parent Student Teacher Organization (PSTO) that emphasizes volunteerism. The PSTO Education Boosters provided \$20,000 in funds for special teacher projects and classroom needs during the last school year. The majority of the funds raised by the PSTO are the result of an annual 4th of July parade and 5K event held in partnership with the city that ETHS serves, Lake Forest. To get involved at ETHS, contact PSTO President Meriem Bawendi-Kato (949) 586-6333.

### **State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### **School Safety Plan**

ETHS has five administrators who monitor the campus before school, after school, at snack, and at lunch times. In addition, teachers are assigned to supervision before school, after school, and at snack. We have one full-time campus supervisor and two part-time campus supervisors who monitor the campus each school day. The campus is monitored from 7 a.m. through 4 p.m. each school day.

The campus is closed except at lunch for juniors and seniors, who may go off campus for lunch by showing proper identification. We have a video surveillance system covering most of the campus. All visitors are required to check in and out at the front office.

The school safety plan is revisited every year and includes district standards on how to handle a variety of situations that might arise at the school site. The school safety plan is reviewed, updated, and approved by School Site Council every year. The teachers are given a safety manual at the beginning of the school year and they review the established school-wide protocol. Students are informed by homeroom teachers which procedures to follow during disaster drills. Evacuation drills are practiced twice annually. Each teacher receives an emergency bag for use during a major disaster.

Suspensions and Expulsions			
School	2014-15	2015-16	2016-17
Suspensions Rate	2.68	4.02	2.47
Expulsions Rate	0.3	0.54	0.54
District	2014-15	2015-16	2016-17
Suspensions Rate	1.7	1.84	1.78
Expulsions Rate	0.15	0.14	0.2
State	2014-15	2015-16	2016-17
Suspensions Rate	3.79	3.65	3.65
Expulsions Rate	0.09	0.09	0.09

#### D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

2017-18 Federal Intervention Program		
Indicator	School	District
Program Improvement Status		In PI
First Year of Program Improvement		2013-2014
Year in Program Improvement		Year 1
Number of Schools Currently in Program Improvement		6
Percent of Schools Currently in Program Improvement		66.7

Academic Counselors and Other Support Staff at this School	
Number of Full-Time Equivalent (FTE)	
Academic Counselor	4
Counselor (Social/Behavioral or Career Development)	1
Library Media Services Staff (Paraprofessional)	1
Psychologist	1.5
Speech/Language/Hearing Specialist	1
Average Number of Students per Staff Member	
Academic Counselor	700

\* One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Average Class Size and Class Size Distribution (Secondary)												
Subject	Average Class Size			Number of Classrooms*								
				1-22			23-32			33+

\* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

#### Professional Development provided for Teachers

Professional development activities are focused on our efforts to promote excellence and innovation in teaching and learning to provide our students with 21st Century skills to ensure their success in college and career. El Toro High School has aligned with the District's LCAP goals to improve student learning. Our goals have included ensuring that all students improve literacy in all content areas, improve access to, enrollment in, and completion of rigorous course of study, expand and support 21st Century technology and learning as well as increasing student engagement and parent involvement. In addition, professional development is provided to teachers to align curriculum with NGSS and CCSS frameworks. Professional development is offered throughout the school year during PLC's, department and district collaboration meetings, after school and during the summer as well as on Staff Development Days and K-12 Leadership meetings. Instructional Rounds professional development opportunities have been a area of focus to improve teaching and student learning.

FY 2015-16 Teacher and Administrative Salaries		
Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$30,000	\$47,808

### Types of Services Funded

Saddleback Valley USD has identified Goals and Actions/Services to support students to be college and career ready and to demonstrate the 21st century skills of critical thinking, communication, collaboration, and creativity.

Goal 1- Improve literacy in all content areas.

Goal 2- Improve student proficiency in all subject areas: English/Language Arts, mathematics, social sciences, science, visual and performing arts, health, physical education, world languages, and career technical education.

Goal 3- Improve access to, enrollment in and completion of a rigorous course of study.

Goal 4- Increase student engagement and parent involvement.

The District has implemented the following Actions and Services to support each Goal identified above:

- \* Develop and implement school site literacy goals for all students and specific goals for students in significant subgroups.
- \* Expand literacy intervention programs including prevention and early systematic intervention, appropriate materials, professional development and extended learning time options; provide focused support for students in grades 4-12 at the Intermediate Level of Proficiency at all school sites.
- \* Provide appropriate, current instructional materials.
- \* Provide staffing to support classrooms with Literacy Coaches/Academic Coach and ELD Coach.
- \* Support continued implementation of strategies for Designated and Integrated ELD.
- \* Expand intervention programs for at-risk students to prepare them for "a-g" courses.
- \* Expand Advancement Via Individual Determination (AVID).
- \* Increase the number of "a-g" approved courses and Advanced Placement/International Baccalaureate courses.
- \* Expand Counseling Services.
- \* Provide parent education regarding course pathways, graduation requirements, post-secondary opportunities, current academic standards; support parent participation and involvement in parent and advisory groups.

### Career Technical Education Programs

We have a full-time career specialist who works for the Coastline ROP - a Joint Powers Authority ROP, which provides career preparation for high school students. ROP offers classes in all 15 industry sectors - those incorporated at El Toro High School include digital media arts, sports medicine, public services, and child development. ROP also offers internships to students in the culinary arts, business, medicine, automotive, animal health care, hotel/tourism, and childcare. El Toro High School employs four full-time CTE teachers in the following sectors: automotive, engineering, architecture, photography, graphics and animation. In addition, other SVUSD teachers have part-time CTE assignments including video production, computer science, and computer accounting. Throughout CTE classes, students gain valuable experience that makes them employable and allows them to earn credits toward graduation. Our high school CTE courses intended to help students become college and career ready. CTE courses are open to all students and pathways are created to have students learn sequentially more within the industry sector. We enrolled 953 students in career technical education courses throughout the school year, with 287 being pathway concentrators or completers. The school is allotted Carl Perkins federal funds, the CTE Incentive Grant funds and California Career Pathways Trust Grant funds to support a comprehensive career technical education program. Among the highlights are the participation in various competitions including the UCI Energy Invitational, the OC Maker Challenge, a Toyota Fuel Cell Challenge, VEX Robotics competitions, My Dream Career and Digital Media Arts. You can find information about our school's CTE courses and advisors in the Data Almanac at the end of this School Accountability Report Card. Information about career technical education policy is available on the CDE Web site.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
