School Description

Rancho Cañada is excited about its new programs and the improvements it has made to the campus and curriculum. The Parent Teacher Association (PTA), the school, and district collaborate to provide our students with enrichment and tutorial programs throughout the year, for example, after school tutoring for English Learner (EL) students, STEAM Lab, Makerspace, Art Masters, PE, instrumental music, general music, and chorus, support classroom instruction.

Students are recognized for their attributes of good citizenship and academic performance at Student of the Month/Flag ceremonies, 6th Grade Promotion, and by earning Gaucho Bucks (reward tickets). The Rancho Cañada Student Council promotes school spirit with outreach to the community, music at lunch time, spirit days, and other spirit activities during the school year.

The Rancho Cañada students continue to excel inside and outside the classroom.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

We choose textbooks and instructional materials that are aligned to state-adopted content standards consistent with state-adopted curriculum framework content and cycles. This report includes a list of some of the textbooks and instructional materials we use at our school. We have also reported additional facts about our textbooks called for by the Williams legislation of 2004. This report shows whether each student in each core course had sufficient textbooks or instructional materials that are consistent with the content and cycles of the state-adopted curriculum frameworks for those subjects.

School Facility Conditions and Planned Improvements (Most Recent Year)

Rancho Cañada dates from 1976. Our school underwent modernization and Measure B construction in the summer of 2006 to replace old portable classrooms, refurbish the wood structures surrounding our building, refurbish restrooms and classrooms, enlarge the multipurpose room, complete playing field improvements, and install a new intercom system as well as covers for the lunch, field, and kindergarten areas. The project was completed in the summer of 2007. Our children, teachers, staff, and community now have a new school to enjoy for years to come.

More facts about the condition of our school buildings are available in an online supplement to this report called for by the Williams legislation of 2004. What you will find is an assessment of more than a dozen aspects of our buildings: their structural integrity, electrical systems, heating and ventilation systems, and more. The important purpose of this assessment is to determine if our buildings and grounds are safe and in good repair. If anything needs to be repaired, this assessment identifies it and targets a date by which we commit to make those repairs. The guidelines for this assessment were written by the Office of Public School Construction (OPSC) and were brought about by the Williams legislation. You can look at the six-page Facilities Inspection Tool used for the assessment on the Web site of the OPSC.

| School Facility Good Repair Status (Most Recent Year) | | |
|--|---------------|---|
| Year and month in which data were collected: October 2018 | | |
| System Inspected | Repair Status | Repair Needed and Action Taken or Planned |
| Systems: Gas Leaks, Mechanical/HVAC, Sewer | Good | |
| Interior: Interior Surfaces | Fair | stained/missing ceiling tiles, to be replaced by plant foreman |
| Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation | Good | |
| Electrical: Electrical | Good | light out, to be replaced by plant foreman |
| Restrooms/Fountains: Restrooms, Sinks/ Fountains | Good | |
| Safety: Fire Safety, Hazardous Materials | Good | |
| Structural: Structural Damage, Roofs | Good | |
| External: Playground/School Grounds, Windows/ Doors/Gates/Fences | Good | |
| Overall Rating | Good | Our school meets most or all of the standards for good repair, established by the Office of Public School Construction. If we have any deficiencies, they are not significant. We scored between 99 and 100 percent on the 15 categories of our evaluation. |

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

| 2017-18 CAASPP Results for All Students | | | | | | |
|---|--|-------|----------|-------|-------|-------|
| Subject | Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11) | | | | | |
| | School | | District | | State | |
| | 16-17 | 17-18 | 16-17 | 17-18 | 16-17 | 17-18 |
| ELA | 60.0 | 68.0 | 64.0 | 65.0 | 48.0 | 50.0 |
| Math | 55.0 | 56.0 | 51.0 | 52.0 | 37.0 | 38.0 |

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter

Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

| CAASPP Test Results in Science for All Students | | | | | | |
|---|--|-------|----------|-------|-------|-------|
| Subject | Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards) | | | | | |
| | School | | District | | State | |

| Science | N/A | N/A | N/A | N/A | N/A | N/A |

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

| Grade Level | 2017-18 Percent of Students Meeting Fitness Standards | | |
|-------------|---|--------|--------|
| | 4 of 6 | 5 of 6 | 6 of 6 |
| 5 | 11.7 | 20.8 | 58.4 |

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

| Students with Disabilities | 39 | 37 | 94.87 | 27.03 |

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018-19)

Rancho Cañada has an active and supportive Parent Teacher Association (PTA). The PTA sponsors a highly successful annual Jog-a-Thon which funds the school's technology improvements, STEAM Lab, Makerspace, the Art Masters program, Red Ribbon Week, the Reflections program, a academic and cultural assemblies, Family Fun Nights, a book fair, Muffins with Mom, Daybreak with Dad, and the sixth grade Promotion Ceremony. The School Site Council (SSC) allocates school improvement funds to maintain technology needs by purchasing software and hardware along with classroom materials. In addition, site funds are allocated to provide professional development opportunities for staff, a character education program, and after school tutoring.

Parents volunteer in the classrooms and accompany classes on field trips. Parents are encouraged to become involved in this child's school and to contact their child's teacher or call Lorraine Tonick at (949) 768-5252. For information about the PTA, contact our PTA president.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The staff and SSC reviews and updates the site Safety Plan annually in the fall. The plan addresses a safe and orderly school environment, disaster procedures, building and safety standards, and student behavior. The safety plan is discussed and approved by our School Site Council. Our PTA maintains emergency food and water supplies. Students are expected to follow the school's safety guidelines on the school grounds and within the building. School employees (playground assistants/teachers) supervise the playgrounds at recess as well as before and after school. The staff and the PTA collaborate each year to update the disaster preparedness program, which includes monthly safety drills.

* Number of classes indicates how many classes fall into each size category (a range of total students per class).

Professional Development provided for Teachers

This year our staff development days are focused on aligning our curriculum with state and district standards, assessing student writing, using walk through data to assist in instruction, and developing SMART Goals. Teachers meet regularly in grade-level groups to review student work, plan instruction, and develop strategies to assist students who are not meeting grade-level standards.

Teachers engage in training around the three district priorities: student engagement, innovation and intentional lesson design. Teacher have received extensive training for Benchmark, which is the new ELA/ELD adopted curriculum. Math is also a district focus this year with district opportunities for lesson design and lesson study. Social Studies adoption is in progress and more training will be provided upon completion of the process.

Types of Services Funded

Saddleback Valley USD has identified Goals and Actions/Services to support students to be college and career ready and to demonstrate the 21st century skills of critical thinking, communication, collaboration, and creativity.

Goal 1- Improve literacy in all content areas.

Goal 2- Improve student proficiency in all subject areas: English/Language Arts, mathematics, social sciences, science, visual and performing arts, health, physical education, world languages, and career technical education.

Goal 3- Improve access to, enrollment in and completion of a rigorous course of study.

Goal 4- Increase student engagement and parent involvement.

The District has implemented the following Actions and Services to support each Goal identified above:

- Develop and implement school site literacy goals for all students and specific goals for students in significant subgroups.
- Expand literacy intervention programs including prevention and early systematic intervention, appropriate materials, professional development and extended learning time options; provide focused support for students in grades 4-12 at the Intermediate Level of Proficiency at all school sites.
- Provide appropriate, current instructional materials.
- Provide staffing to support classrooms with Literacy Coaches/Academic Coach and ELD Coach.
- Support continued implementation of strategies for Designated and Integrated ELD.
- Expand intervention programs for at-risk students to prepare them for "a-g" courses.
- Expand Advancement Via Individual Determination (AVID).
- Increase the number of "a-g" approved courses and Advanced Placement/International Baccalaureate courses.
- Expand Counseling Services.
- Provide parent education regarding course pathways, graduation requirements, post-secondary opportunities, current academic standards; support parent participation and involvement in parent and advisory groups.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
