About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school at (510) 618-4380 or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2015-16)

San Leandro Unified School District sets a high priority upon ensuring that sufficient and current textbooks and materials are available to support the school's instructional program. San Leandro Unified School District held a public hearing on September 20th, 2011 and determined that each school within the district had sufficient and good quality textbooks, instructional materials, and science lab equipment pursuant to the settlement of Williams vs. The State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home.

Textbooks are adopted by the Board of Trustees after review by teachers and parents according to the timeline established by the State of California. All district-adopted textbooks are State Board adopted and aligned to the Academic Content Standards established by the California Board of Education. The most recent textbooks as of January 2012 are illustrated in the chart.

School Facility Conditions and Planned Improvements (Most Recent Year)

Age & Condition of Facilities

Bancroft Middle School was originally constructed in 1955 and is currently comprised of 33 permanent classrooms, a library, a staff lounge, a multipurpose/ cafeteria room, two playgrounds, two computer labs, and a gymnasium. Recent renovations to Bancroft Middle School include the installation of new roofing and ventilation systems in 2009, and classroom paint and lights in 2011.

Cleaning Process

The principal works daily with four full-time custodians to ensure that the cleaning of the school is maintained to provide for a clean and safe school.

Maintenance & Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and that the highest priority is given to emergency repairs. At the time of publication 100% of the school's restrooms were in good working order.

Deferred Maintenance Budget

The State School Deferred Maintenance Budget Program provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating/air conditioning, interior/exterior painting, electrical systems, and flooring. For the 2012-2013 school year, the district allocated \$164,000 for the deferred maintenance program. This represents .22% of the district's general fund budget.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement

Parents and the community are very supportive of the education program at Bancroft Middle School. Parents may participate in the School Site Council, the PTA, United Parents of Bancroft Group, and the English Learner Advisory Committee (ELAC.)

There are also ample volunteer opportunities for parents to be involved within the athletics and music programs as well as with the school play and in the classroom. Parents also are able to volunteer their time with supervision of students.

Parents who wish to participate in Bancroft Middle School's leadership teams, school committees, school activities, or become a volunteer may contact the Parent Facilitator at the main office at (510) 618-4380 ext. 3612.

The safety of students and staff is a primary concern at Bancroft Middle School. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety Plan is updated every year in the fall. The key elements of the School Site Safety Plan include communication, preparation and safety. Fire, earthquake, stay in place, and intruder drills are conducted on a monthly basis throughout the school year.

The School Site Safety Plan was last thoroughly reviewed in the 2009/2010 school year. The 2014/2015 Bancroft administration is in the process of revising the School Safety Plan for recommendation to the School Site Council for approval.

To ensure student safety, staff members supervise students at all times before and after school, and during all breaks. Any visitors to the campus are required to check in and check out at the school's office and wear the proper identification badge at all times.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Professional Development provided for Teachers

To work towards improving student achievement, Bancroft faculty members participate in Professional Learning Communities (PLC) and common instructional practices training, twice a month for each. Department meetings and staff meeting also provide many opportunities for professional development.

Teachers may also receive assistance through the Peer Assistance and Review (PAR) Program. The PAR program uses exemplary teachers to assist permanent and beginning teachers in the areas of subject matter knowledge and teaching strategies. Staff development is also supported for classroom implementation through BTS (Beginning Teachers Support and Assessment) Support Providers and District & Site Instructional Coaches.

The district supports staff development through three Professional Growth Days each year.
