Principal's Message

Garfield is a community of learners who are committed to ensuring that every child who comes into our school receives an equitable education within a nurturing and safe environment. The strength of our school lies with the staff who are knowledgeable, thoughtful and caring, and who share the belief that all students can learn and embrace the skills that will make them lifelong learners. Our teaching faculty of highly qualified, fully credentialed teachers is dedicated to teaching students a rigorous core academic curriculum based on the Common Core Standards and Next Generation Science Standards. They collaborate and analyze data regularly to produce deeper learning opportunities for our students including an analysis of academic performance and language development to determine English Learners (EL) program needs as well as other student group needs.

Garfield School is made up of a diverse student body. The school serves students in grades K-5. Additional resources are allocated to serve students in need of Reading and Math Intervention, English Language Development instruction, Speech, and Language support, Special Education Resource services, Adaptive Physical Education, Occupational Therapy, and Counseling. Students also participate in Music, Art, Physical Education classes taught by Specialists.

The Garfield staff is committed to providing an educational program in which the school's resources and services are effectively coordinated to meet the needs of students. Our teachers strive to provide students with explicit direct instruction lessons and project-based learning (PBL) opportunities that are combined with blended learning opportunities in our digital learning environments. It is always our goal to provide academic programs that are culturally responsive, rigorous, personalized and appropriately challenging for all students.

Instruction is focused on the Common Core and Next Generation Science Standards and all students are making progress towards mastery. Garfield teachers differentiate their instruction by regularly assessing and grouping students within and/or outside of the classroom for instruction in a variety of core academic content areas. Through this process, teachers can work together to meet needs of all students by sharing resources and best instructional practices. These practices align activities to reach school goals to improve the academic performance of English Learner students and students who require additional intervention to support their learning needs. Recognizing the need to focus on the whole child, our teachers also provide learning experiences which foster social/emotional growth as well as develop students' communication and collaboration skills.

District Vision Statement

The mission of the San Leandro Unified School District is to educate students to achieve and demonstrate academic excellence and become confident, collaborative and competitive in a global society, by utilizing state-of-the-art technologies and innovative teaching strategies within a well-maintained, secure learning environment, in a region rich in heritage and diverse in culture, where we value our traditions while welcoming change.

School Mission Statement

Working together, all members of the Garfield School community will do whatever it takes to get everyone to the same place while fostering high academic achievement and social standards for ALL students. We will provide a safe, supportive and accessible school environment so that all students and adults are valued and respected for their unique qualities, strengths, and contributions.

District Profile

San Leandro Unified School District is located in the City of San Leandro, which is situated 20 miles southeast of San Francisco. San Leandro is a friendly and diverse city with a colorful heritage and numerous cultural amenities including a 450-berth Marina, two golf courses, and a large community library center. San Leandro is well-known for its quiet, well-defined neighborhoods full of charming and unique older houses on tree-lined streets. San Leandro residents are proud of both their neighborhoods and their city, which can be seen in their active involvement in the city's numerous neighborhood and homeowner's associations.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

San Leandro Unified School District sets a high priority upon ensuring that sufficient and current textbooks and materials are available to support the school’s instructional program. San Leandro Unified School District held a public hearing on August 21, 2018, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, and science lab equipment pursuant to the settlement of Williams vs. The State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home.

Textbooks are adopted by the Board of Trustees after review by teachers and parents according to the timeline established by the State of California. All district-adopted textbooks are State Board adopted and aligned to the Academic Content Standards established by the California Board of Education. The most recent textbooks as of January 2019 are illustrated in the chart.

School Facility Conditions and Planned Improvements (Most Recent Year)

Age & Condition of Facilities

Garfield Elementary School was originally constructed in 1948 and is currently comprised of 21 permanent classrooms, a library, a staff lounge, a multi-purpose/cafeteria room, and two playgrounds. Recent renovations include the installation of new exterior fencing, exterior paint, and connection to the city's fiber loop for high-speed internet access. The library was renovated in the 2017-18 school year.

Cleaning Process

The principal works daily with the head custodian and custodial staff to ensure a clean and safe school environment.

Maintenance & Repair

District maintenance staff inspects and makes timely repairs necessary to maintain the facility. The district recently implemented a new work order system to ensure efficient and timely service for all repairs and service requests.

Measure J1 Bond Work:

The school is scheduled to receive new heating, ventilation, and air conditioning (HVAC) units in all classrooms. Additionally, the school's electrical system will be upgraded to accommodate future needs. Aging portables will be replaced with newer classroom structures.

School Facility Good Repair Status (Most Recent Year) Year and month in which data were collected: 09/13/18		
System Inspected	Repair Status	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Good	The formica edge is missing from one cabinet. There are ceiling tiles which have water stains. The fire extinguisher is on the floor by the door (not wall mounted).
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	
Electrical: Electrical	Good	
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	The fountain has low water pressure. There is one loose toilet seat.
Safety: Fire Safety, Hazardous Materials	Good	
Structural: Structural Damage, Roofs	Good	
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	
Overall Rating	Good	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	25.0	33.0	38.0	38.0	48.0	50.0
Math	24.0	26.0	25.0	26.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter

Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

Grade Level	2017-18 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
5	13.2	28.6	19.8

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018-19)

Parents and the community are very supportive of the education program at Garfield Elementary School. Parents may participate in the Gatorville Parent Teacher Organization (PTO), English Language Advisory Committee (ELAC), School Site Council (SSC), and volunteer within the classroom and for various school events and field trips. The PTO and ELAC groups sponsor a variety of fundraising and community-building activities throughout the school year. Their fundraisers also sponsor field trips for every student. Each year, parents are invited to attend our six-session School Smarts Academy. The curriculum for the academy is designed by the National PTA. It helps parents understand how to navigate the school system and advocate for their child.

Garfield Elementary School has several partnerships with local community organizations and businesses, such as Davis Street Community Center, City of San Leandro Safe Routes to School, the San Leandro Rotary, and the San Leandro Education, Sports, and Music Foundations.

Contact Information

Parents who wish to participate in Garfield Elementary School's leadership teams, school committees, school activities, or become a volunteer may contact the main office at (510) 618-4300.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The safety of students and staff is a primary concern at Garfield Elementary School. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan is updated annually by the School Site Council and staff. The key element of the School Site Safety Plan encompasses student safety and evacuation procedures, if necessary. Fire, earthquake, and lock down drills are conducted on a regular basis throughout the school year, and intruder drills are conducted twice a year. Emergency parent information is outlined in the Parent/Student Handbook and provided each year to families.

To ensure student safety, staff members supervise students at all times before and after school, and during recess and lunch. Any visitors to the campus are required to check in at the school's office and wear the proper identification badge at all times. The designated areas for student drop off and pick up are at the front of the school and are supervised by staff. The Safe School Plan was last reviewed in January 2019 by School Site Council and staff.

* Number of classes indicates how many classes fall into each size category (a range of total students per class).

Professional Development provided for Teachers

Teachers may receive assistance through the Peer Assistance and Review (PAR) Program. The PAR program uses exemplary teachers to assist permanent and beginning teachers in the areas of subject matter knowledge and teaching strategies.

Staff development is supported for classroom implementation through BTSAs (Beginning Teachers Support and Assessment) Support Providers and by Site and District Instructional Coaches. The district supports staff development through three Professional Growth Days each year.

The focus of professional development for 2018-19 will be on the implementation of our new reading curriculum, Wonders, Project Based Learning as it relates to Next Generation Science Standards and our STEAM Lab pilot, and the State and Local Assessment Plan data. As a site, we have implemented a social-emotional learning curriculum and are also participating in a conflict resolution/anti-bullying program called Soul Shoppe. These programs are in addition to our Positive Behavior Intervention and Support.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
