Dear Families,

It is a true honor to be a part of the Washington community! It is a postcard beautiful school with classic and stately architecture surrounded by lush park grounds that draw families who walk from nearby apartments, bungalows and sprawling homes, all where cherry orchards once stood. The diversity in architecture reflects the myriad faces in this community. The culturally and linguistically rich backgrounds, the inviting neighborhood, and an inspired staff are just some of the key elements that make Washington Elementary a coveted school in this district.

Our dedicated teachers provide a rigorous academic curriculum based on Common Core State Standards (CCSS) and Next Generation Science Standards (NGSS) to ensure access to all of our students. We incorporate Project Based Learning throughout the school day to help solidify the standards in a meaningful and memorable way. We collaborate and analyze data regularly to produce deeper and individualized learning pathways for every student.

We have worked especially hard to create a true home-school connection, where families are welcome to be on our campus before, during and after school. On any given day you will find our Parent Center and our classrooms bustling with volunteers. We have a dedicated parent facilitator who welcomes and guides parents in supporting their child's education.

Washington School has a robust Spanish Biliteracy Pathway program from first through fifth grade. We have a Dual Language Immersion (DLI) program that began with two Kindergarten classes (in 2017) and will grow each year thereafter. We believe that these programs promote the benefits of learning two languages, lead to increased friendships among multiple language groups and affirm all of our students' heritage, leading to increased academic achievement for all students.

We also believe that our students must have access to enrichment opportunities to help maintain focus on their future aspirations and dreams. This belief was the basis for the development of a substantial after school program. In addition to a traditional extended learning after school program, we offer a variety of outside of school classes each year. Examples include classes such as, Theater, Robotics, Coding, Ballet Folklórico, Jazz Band, Creative Arts, Hip Hop Dance, Science in the Garden, Spanish, and a Girls' Running program. We also open our library before and after school to instill the love of reading and allow access to computers and technology.

There are so many unique and amazing opportunities available for Washington students and their families. It would take pages to capture them all here! We offer tours to prospective families the first Monday of each month at 9:30 AM. I can be reached directly at (510) 618-4363 or via email at ealvarez@slusd.us.

With Warm Regards,

Elisa Alvarez

Principal

School Mission Statement

The Washington School Community is dedicated to providing equal access to learning for all students, where race, gender or socio-economic status does not predict which students achieve at school. Through culturally responsive instructional practices we recognize the varied learning styles and intelligence of all students while maintaining high expectations. We strive to provide a nurturing, respectful, and safe learning environment that will empower children with skills and knowledge that will lead to their success in a changing world. Our commitment to the implementation of state standards through the use of board-adopted curricula will ensure that all students achieve high levels of proficiency as determined by grade level, school, district, and state measures.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

San Leandro Unified School District sets a high priority upon ensuring that sufficient and current textbooks and materials are available to support the school's instructional program. San Leandro Unified School District held a public hearing on August 21, 2018, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, and science lab equipment pursuant to the settlement of Williams vs. The State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home.

Textbooks are adopted by the Board of Trustees after review by teachers and parents according to the timeline established by the State of California. All district-adopted textbooks are State Board adopted and aligned to the Academic Content Standards established by the California Board of Education. The most recent textbooks as of January 2019 are illustrated in the chart.

School Facility Conditions and Planned Improvements (Most Recent Year)

Age & Condition of Facilities

Washington Elementary School was originally constructed in 1917 and is currently comprised of 21 classrooms, an ELD room, an RSP room, a library, a staff room, a multi-purpose room, a kitchen/cafeteria, and two playgrounds. Recent renovations include the installation of new exterior fencing, exterior paint, and connection to the city's fiber loop for high-speed internet access.

Cleaning Process

The principal works daily with the head custodian and custodial staff to ensure a clean and safe school environment.

Maintenance & Repair

District maintenance staff inspects and makes timely repairs necessary to maintain the facility. The district recently implemented a new work order system to ensure efficient and timely service for all repairs and service requests.

Measure J1 Bond Work:

The school is scheduled to receive new heating, ventilation, and air conditioning (HVAC) units in all classrooms. Additionally, the school's electrical system will be upgraded to accommodate future needs. Aging portables will be replaced with newer classroom structures.

School Facility Good Repair Status (Most Recent Year) Year and month in which data were collected: 09/14/18		
System Inspected	Repair Status	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Good	
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	There are several classrooms that have both microwave ovens and refrigerators (possible circuit overload)
Electrical: Electrical	Good	
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	There are two loose toilet seats.
Safety: Fire Safety, Hazardous Materials	Good	
Structural: Structural Damage, Roofs	Good	
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	
Overall Rating	Good	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	33.0	37.0	38.0	38.0	48.0	50.0
Math	22.0	31.0	25.0	26.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

Grade Level	2017-18 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
5	19.7	23.7	28.9

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**School Year 2017-18 CAASPP Assessment Results - English Language Arts (ELA)
Disaggregated by Student Groups, Grades Three through Eight and Eleven**

Students with Disabilities	20	20	100.00	10.00

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

- Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

- Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018-19)

Parent involvement is very important at Washington School. Our Parent Center serves as a gathering point for parents during the school day, before and after school. We host weekly Wednesday morning meetings for parents that include general coffee and conversation and workshops based on parent requests. We also have an active Parent Teacher Organization that meets in the evenings on the first Tuesday of the month at 6 PM. In addition to PTO, we also have a Dad's Club that meets off site every other month. Our School Site Council meets every other month on a Thursday at 3:30 PM. This group has a profound impact on the school budget and all are welcome to attend. Washington has an English Language Advisory Committee that meets once a month in the mornings. This meeting covers various topics pertinent to the success of our English Learners. We have an African American Parent group that meets both during mornings and evenings. We use this time to ensure that we are meeting the needs of our African American students.

We have a multitude of events that take place during the year that parents, partnering with staff, provide for our students and our community. Any parents interested in participating are welcome to call Maria Ochoa, our Parent Facilitator, at (510) 618-4360 extension 3333.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The San Leandro Unified School District recognizes that students and staff have the right to a safe and secure campus where they are free from physical and psychological harm. The governing Board is fully committed to maximizing school safety and to creating a positive learning environment that includes strategies for violence prevention and high expectations for student conduct, responsible behavior, and respect for others.

School site council at Washington School develops a comprehensive school safety plan relevant to the needs and resources of that particular school. A current copy of the school plan is required to be kept on file. Washington staff reviewed this at the October staff meeting.

* Number of classes indicates how many classes fall into each size category (a range of total students per class).

Professional Development provided for Teachers

Our District is committed to excellent Professional Development. Several times a year our teachers receive training in the latest technology, curriculum, English Language Development, National Science Standards, ultimately refining the delivery of Common Core State Standards. In addition to the District PD, each Wednesday Washington teachers participate in optional mini PDs that strengthen their practice throughout each school year. Washington teachers are allotted three professional days to work collaboratively. This time is used to incorporate Project Based Learning into their daily teaching. All teachers also have the opportunity to work with Instructional coaches in the classroom and during collaboration time. New teachers participate in BTSA (Beginning Teachers Support and Assessment). Washington teachers were all trained at the Museum of Tolerance on the incorporation of Social Justice standards into their every day practice.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
